As a user of our software, you know about its ability to speed up the processing of payroll, investment income reporting, property taxes and child care fees.

- **Delivery** – We encourage everyone to download the software from our website at www.donainc.com. If you prefer to receive a compact disc, check the appropriate box on the table below. **Delivery by compact disc will occur later than via the internet.**
- **Updates** – The programs are placed on our website as they are completed. To allow you to get an early start, the software will be available once the data entry and print routines are finalized. The routines to file on diskette or via the internet, which require government approval, will be posted at a later date. **It is your responsibility to check our website for changes.**
- **Minimum system requirements** – Windows 98/2000/XP and a local laser printer. **Please note that we do not support Windows ME (Millenium Edition) or ink jet printers.**
- **To order 2009 downloadable version, please complete on-line order form at www.donainc.com. We will respond to you by e-mail with links to download files. To order compact disc version please check preferred option below.**
